Meeting Notes

Old Business:

New Business:

General discussion included the following:

The development of an initial one page document which would provide some guidelines to residents of Twin Lakes on things that can be done to protect the environment and property.

Buster Amore and Jack McGuire agreed to talk to the Fire and Police Departments to include their ideas for this flyer. Hope was that this could be included with an existing document already to be mailed by the Village and Trustee, Sandy Ericksen agreed to check on this and get back to the Committee. Committee members asked that each of the Lake District committee provide some ideas for this initial flyer. Susan Caraher said she would e-mail all of them asking for this information.

There was discussion about working with the local realtors with regard to the mailings that they periodically send out. Bob Livingston said that he was already in touch with Linda Lasko from the Chamber of Commerce and other realtors and he was going to pursue this issue with them.

Also general discussion about going forward with information on programs for disabled skiers, learn to sky days, CPR training, and ice fishing.

Guest Presenter: None

- The next meeting is scheduled for: November 22, 2003 at 1PM, Village Hall, 108 Main Street
