

Draft Minutes for 3/19/2005 Communication Committee

The Communication Committee called to order on March 19th, 2005 at 1:10pm.

Members present were Susan Caraher, Corinne Krebs, Jim Rukas, and Bill Pragalz; other attending included Trustee Rhode, Robert Livingston, and Pam Becker. No previous meeting minutes were read or approved. This will be done at the next meeting.

Under Old Business the committee discussed the status of the website. Darling Software still hadn't received the proper authorization from the Village concerning getting the website running. Bob requested that Stephanie contact him if she had difficulty getting through to David Cox. The next item under Old Business involved setting up the next couple of educational articles. This item led into a lengthy discussion of Non-Phosphorus fertilizer. The new list for educational articles is as follows:

May = Cleaning Boats or Getting Boats Ready for the Season (Tom Porps)

June = Invasive Species (Tony Migon)

July = Lake Districts vs. Lake Associations (Corinne Krebs)

No progress was made concerning getting minutes to the public or the school partnership that we talked about at the last meeting. More information should be available at the next meeting concerning these topics.

Under New Business the committee listened briefly to Corinne speak about the Lake Protection Workshop held back in February. She explained the type of knowledge that is available at workshops like this and encouraged everyone who could to attend the upcoming State Lakes Convention in Green Bay. Pam asked her to compose a narrative to be sent out concerning this and encouraging everyone who could to attend. Corinne briefly discussed having the committees begin preparing for the upcoming annual meeting in Twin Lakes. She also proposed the committee set-up workshop sessions to compile a scrapbook of all the articles that have been published as a keepsake to record the history of the Lake District since its inception.

The next meeting was set for April 23, 2005 at 3:00pm, to be held at the Village Hall. A motion to adjourn was made by Corinne Krebs and a second was made by Jim Rukas.
